

## Looking Back

Parachute

I've been missing home  
Late nights when I'm alone  
Think back and paint a scene  
Soft lights and quiet streets  
So easy not to leave

I'd be such a fool to ever  
Think I could have stayed forever  
Nothing perfect ever lasts  
I know that I shouldn't do this  
Memories can only fool us  
But is it living in the past  
If I'm only looking back?

In my mind nothing's changed  
Still lifes frozen in place  
Reach out and grab ahold  
Fall down the rabbit hole  
I cling to what I know

I'd be such a fool to ever  
Think I could have stayed forever  
Nothing perfect ever lasts  
I know that I shouldn't do this  
Memories can only fool us  
But is it living in the past  
If I'm only looking back?  
Looking back

Lights out and try to sleep  
Look up and start to think  
How I don't want to spend my life  
Stuck between what's in front of me  
And the way it used to be

I'd be such a fool to ever  
Think I could have stayed forever  
Nothing perfect ever lasts  
I know that I shouldn't do this  
Memories can only fool us  
But is it living in the past  
If I'm only looking back?

I've been missing home
