

You To Believe In

Paradise Fears

Something like a crisis a quarter life gone by
And I'm still obsessed with purpose just getting wasted wasting time
Something like a message in this October sky
You held my hand through all the darkness, picked me up when times were hard
est
But I may be stuck in neutral wondering where to hench my bets
But it seems the sky is falling and nothing else is making sense

I've got you to believe in

(Oh oh oh-woah, oh oh oh-woah-oh, Oh oh oh-woah, oh oh oh-woah-oh)

Yeah I've got you to believe in

(Oh oh oh-woah, oh oh oh-woah-oh, Oh oh oh-woah, oh oh oh-woah-oh)

I've got you to believe in

(Oh oh oh-woah, oh oh oh-woah-oh, Oh oh oh-woah, oh oh oh-woah-oh)

(I've got you to believe in)

Some people have their faith I don't know what to think
Cos if there's something guiding us then why am I just drawing blanks
I still dream of running but I can't fill up my tank
You grabbed my hands and pulled me up
Poured my soul into a cup
Til it runneth over
Til it runneth over

I've got you to believe in

(Oh oh oh-woah, oh oh oh-woah-oh)

I've got you to believe in

(Oh oh oh-woah, oh oh oh-woah-oh)

When it feels like I'm nothing, you're there and god well at least that's so
mething

I've got you to believe in

(Oh oh oh-woah, oh oh oh-woah-oh,
Oh oh oh-woah, oh oh oh-woah-oh)

I've got you to believe in

(Oh oh oh-woah, oh oh oh-woah-oh,
Oh oh oh-woah, oh oh oh-woah-oh)

Now I don't believe in politics
I don't pray to celebrities
Stand with generations finding faith in TV screens

I'm screaming

All that's good is gone
All we used to love is dead
Now our only heroes are the voices in our heads

They're screaming

All that's good is gone
All we used to love is dead
Now our only heroes are the voices in our heads

They're screaming

All that's good is gone
All we used to love is dead
Now our only heroes are the voices in our heads

They're screaming
(They're screaming)

I've got you to believe in

(Oh oh oh-woah, oh oh oh-woah-oh)

I've got you to believe in

(Oh oh oh-woah, oh oh oh-woah-oh)

When it feels like I'm nothing you're there and god well at least that's something

I've got you to believe in,

(Oh oh oh-woah, oh oh oh-woah-oh,
Oh oh oh-woah, oh oh oh-woah-oh)

I've got you to believe in,

(Oh oh oh-woah, oh oh oh-woah-oh,
Oh oh oh-woah, oh oh oh-woah-oh)

Yeah I've got you to believe in

Oh, woah
Oh woah

You to believe in

Oh, woah
Oh woah

You to believe in.

(Oh, oh woah)
