

## End Of The World

Paralysed Age

I think my eyes go 'round  
Spinning like the sun  
I think my eyes go down  
Drowning like the sun

I think my eyes go 'round  
Spinning like the sun  
I think my eyes go down  
Drowning like the sun

Devoured by the wine-red sea  
Devoured by the wine-red sea  
The dark blood  
The end of the world

The dark blood  
The end of the world
