**F#mi** **A**  
1. What a shame we all became such fragile  
**D** **Bmi**  
broken things A memory remains just a tiny spark  
**F#mi** **A** **D**  
I give it all my oxygen So let the flames begin  
**Bmi**  
So let the flames begin Oh, glory  
**D-Bm-F#m**  
Oh, glory

**F#mi** **A**  
R1: This is how we dance when  
**D**  
When they try to take us down  
**Bmi**  
This is what will Oh, glory

**F#mi** **A**  
2. Somewhere weakness is our strength  
**D**  
And I'll die searching for it  
**Bmi**  
I can't let myself regret such selfishness  
**F#mi** **A**  
My pain and all the trouble caused  
**D** **Bmi**  
No matter how long I believe that there's hope  
**D-Bm-F#m**  
Buried beneath it all and  
**D-Bm-E**  
Hiding beneath it all, and  
Growing beneath it all, and...

**F#mi** **A**  
R2: This is how we dance when  
**D**  
When they try to take us down  
**Bmi**  
This is how we'll sing it  
**F#mi** **A**  
This is how we'll stand when  
**D**  
When they burn our houses down  
**Bmi**  
This is what will be Oh, glory
