Down to you,
You're pushing and pulling me down to you.
But I don't know what I

R1: Now when I caught myself, I had to stop myself.
   C#   **E**
   I'm saying something that I should have never thought.
   Aadd9
   Now when I caught myself, I had to stop myself.
   F#   **E**   **Aadd9**
   From saying something that I should have never thought of you, of you.
                       C#
   You're pushing and pulling me down to you,
   E   **Aadd9**
   But I don't know what I want,
            F# **E**
   No I don't know what I want.

Aadd9
You got it, you got it,
Some kind of magic.
C#
Hypnotic, hypnotic,
E
You're leaving me breathless.
Aadd9
I hate this, I hate this,
             F#
You're not the one I believe in.
E
With God as my witness.
