

# Idle Worship

Paramore

Standing here like I'm supposed to say something  
Don't hold your breath  
I never said I'd save you honey  
And I don't want your money  
If I's you I'd run from me  
Or rip me open  
You'll see you're not the only one who's hopeless

Be sure to put your faith  
In something more  
I'm just a girl and you're  
Not as alone as you feel  
We all got problems don't we?  
We all need heroes don't we?  
But rest assured there's not a single person here who's worthy

Don't let me let you down

Hey baby I'm not  
Your superhuman  
And if that's what you want  
I hate to let you down  
I got your hopes up  
Now I got you hoping  
But I'm gonna be the one to let you down

Oh it's such a long and awful lonely fall  
Down from this pedestal  
That you keep putting me on  
What if I fall on my face  
What if I make a mistake  
If it's okay, a little grace would be appreciated!

Remember how we used to like ourselves?  
What little light that's left  
We need to keep it sacred  
I know that you're afraid to  
Let all the dark escape you  
But we could let the light illuminate these hopeless places

Just let me let you down

Hey baby I'm not  
Your superhuman  
And if that's what you want  
I hate to let you down  
I got your hopes up  
Now I got you hoping  
But I'm gonna be the one to let you down

Oh no I ain't your hero  
You're wasting all your faith on me  
Oh no I know where this goes  
Think it's safe to say your savior doesn't look a thing like me

Don't let me let you down

Hey baby I'm not  
Your superhuman  
And if that's what you want  
I hate to let you down  
I got your hopes up  
Now I got you hoping  
But I'm gonna be the one to let you down

Hey baby I'm not  
Your superhuman  
And if that's what you want  
I hate to let you down  
I got your hopes up  
Now I got you hoping  
But I'm gonna be the one to let you down
