

Last Hope

Paramore

I don't even know myself at all,
I thought I would be happy by now
The more I try to push it,
I realize gotta let go of control

Gotta let it happen,
Gotta let it - happen.
Gotta let it happen,
Just let it - happen.

It's just a spark,
But it's enough, to keep me going.
And when it's dark out, no one's around,
It keeps glowing.

Every night I try my best to dream,
Tomorrow makes it better.
And I wake up to the cold reality,
And not a thing has changed.

But it will happen,
Gotta let it happen!
Gotta let it happen,
Gotta let it - happen,

It's just a spark,
But it's enough, to keep me going.
And when it's dark out, no one's around,
It keeps glowing. (oh!)

It's just a spark,
But it's enough, to keep me going.
And when it's dark out, no one's around,
It keeps glowing.

And the salt in my wounds,
Isn't burning anymore than it used to.
It's not that I don't feel the pain,
It's just I'm not afraid of hurting anymore.
And the blood in these veins,
Isn't pumping any less than it ever has.
And that's the hope I have,
The only thing I know is keeping me alive.
Alive!

Gotta let it happen,
Gotta let it - happen!
Gotta let it happen,
Gotta let it - happen!
Gotta let it happen,
Gotta let it - happen!
Gotta let it happen, (hoo!)
Gotta let it - happen!

It's just a spark,
But it's enough, to keep me going.
(So if I let go of control now, I can be strong!)

And when it's dark out, no one's around,
It keeps glowing. (oh!)

It's just a spark,
But it's enough, to keep me going.
(So if I keep my eyes closed, with a blind hope!)
And when it's dark out, no one's around,
It keeps glowing. (oh!)
