

# Still Into You

Paramore

Can't count the years on one hand  
That we've been together  
I need the other one to hold you  
Make you feel, make you feel better

It's not a walk in the park  
To love each other  
But when our fingers interlock,  
Can't deny, can't deny you're worth it  
'Cause after all this time I'm still into you

I should be over all the butterflies  
But I'm into you (I'm into you)  
And baby even on our worst nights  
I'm into you (I'm into you)

Let 'em wonder how we got this far  
'Cause I don't really need to wonder at all  
Yeah, after all this time I'm still into you

Recount the night that  
I first met your mother  
And on the drive back to my house  
I told you that, I told you that I loved ya

You felt the weight of the world  
Fall off your shoulder  
And to your favorite song  
We sang along to the start of forever  
And after all this time I'm still into you

I should be over all the butterflies  
But I'm into you (I'm into you)  
And baby even on our worst nights  
I'm into you (I'm into you)  
Let 'em wonder how we got this far  
'Cause I don't really need to wonder at all  
Yeah, after all this time I'm still into you

Some things just, some things just make sense  
And one of those is you and I (Hey)  
Some things just, some things just make sense  
And even after all this time (Hey)

I'm into you, baby, not a day goes by  
That I'm not into you

I should be over all the butterflies  
But I'm into you (I'm into you)  
And baby even on our worst nights  
I'm into you (I'm into you)  
Let 'em wonder how we got this far

'Cause I don't really need to wonder at all  
Yeah, after all this time  
I'm still into you  
I'm still into you

I'm still into you
