

# Tell Me How

Paramore

I can't call you a stranger  
But I can't call you  
I know you think that I erased you  
You may hate me, but I can't hate you  
And I won't replace you

Tell me how to feel about you now  
Tell me how to feel about you now  
Oh, let me know  
Do I suffocate or let go?

I think I'm tired of getting over it  
Just starting something new again  
I'm getting sick of the beginnings  
And always coming to your defenses  
I guess it's good to get it off my chest  
I guess I can't believe I haven't yet  
You know I got my own convictions  
And they're stronger than any addiction  
And no one's winning

Tell me how to feel about you now  
Tell me how to feel about you now  
Oh, let me know  
Do I suffocate or let go?  
Tell me how to feel about you now  
Tell me how to feel about you now  
Oh, let me know  
Do I suffocate or let go?

You keep me up with your silence  
Take me down with your quiet  
Of all the weapons you fight with  
Your silence is the most violent

Tell me how to feel about you now  
Tell me how to feel about you now  
Oh, let me know  
Do I suffocate or let go?  
Tell me how to feel about you now  
Tell me how to feel about you now  
Oh, let me know  
Do I suffocate or let go?

You don't have to tell me  
If you ever think of me  
I know you see me dancing  
Wildly in the fog of your memory  
You don't have to tell me  
I can still believe
