

Party People (Single Edit)

Parliament

We are those party people
We're all about a real good time
(x2)

Oh, a big boogie!

We are those party people (we are those party people)
We're all about a good time

We are those party people, uh-huh
Band starts jumpin'
People start thumpin'
And I'm just pitchin' a fit
We are those party people, uh-huh
People are itchin'
They can't stop twitchin'
Funk's gonna scratch their itch
Ooga-Boogie

Yabba-dabba-da-da-da-da-da-dee-da-da
Where are all the party people at?
Where have all the party people gone?
Yabba-dabba-da-da-da-da-da-dee-da-da
Da-da

We're all about fun
We're all about having big fun
(x2)

We are those party people
Oh, the band was smokin'
The dancers were strokin'
And I was just pitchin' a fit
We are those party people

Music had them twitchin'
