

Big Mamma-Jamma

Parry Gripp

Aw, dang, looky there at that truck, come on!
It's a big mamma-jamma
California and New York and Alabama
Leaves all the other trucks sittin' there in their pajamas
A big mamma-jamma
It's a big mamma-jamma
Come on folks, I won't flip-flam ya
Makes ya wanna stand up and say "Hot damn, y'all"
Aw (la la la la la la)
You'll be the judge
The big mamma-jamma
