

Goodbye Hamster, Goodbye

Parry Gripp

Goodbye hamster goodbye
Goodbye hamster goodbye
Goodbye hamster goodbye
It's breaking my heart, now all I wanna do is cry

Goodbye hamster goodbye
Goodbye hamster goodbye
Goodbye hamster goodbye
It's breaking my heart, no I never wanna say goodbye

A letter came from far way
Goodbye
Now it's breaking my heart but I gotta saaaaaay, ayyyyyyyyyy
Goodbye

Yeah!
Oh No!
When I first saw you packing that little suitcase
I knew our time together was coming to an end (Goodbye)
My heart is breaking
But you just remember that you will always be, the fuzzy animal
, on the musical instruments, eating the snack

Goodbye hamster goodbye (aww)
Goodbye hamster goodbye
Goodbye hamster goodbye
It's breaking my heart, no I never wanna say goodbye
