

Shut It Down

Patent Pending

O-wo-oh o-wo-o-oh o wo-o-o-oh
O-wo-oh o-wo-o-oh o wo-o-o-oh

We read the writing on the wall
We heard the talk about us
We watch the phone
You never call
So now we're calling your bluff

We've got the fire inside
We've got the fight in our blood
There's no surrender tonight
No way in hell we'll give up.

O-wo-oh o-wo-o-oh o wo-o-o-oh

Cause it's the last call
It's on tonight
It's either fly or fall
Do or die
We'll take 'em one by one
Till we run this town
Riot with the lights out
Shut it down

The stakes are raised
The game has changed
Cause now there's something to loose
We separate the ones who fake from those with something to prove
So make your way or dig your grave or else the world's gonna choose
Are you some kind of mistake
Or are you front page news
The brighter the fire the higher the fighter will go

Cause it's the last call
It's on tonight
It's either fly or fall
Do or die
We'll take 'em one by one
Till we run this town
Riot with the lights out
Shut it down

Shut it down
Shut it down
Shut it down
Shut it down
Shut it down
Shut-Shut it down

O-wo-oh o-wo-o-oh o wo-o-o-oh
O-wo-oh o-wo-o-oh o wo-o-o-oh

Cause it's the last call
It's on tonight
It's either fly or fall
Do or die

We'll take 'em one by one
Till we run this town
Riot with the lights out
Shut it down

O-wo-oh o-wo-o-oh (Shut it down) o wo-o-o-oh (Shut it down)
O-wo-oh o-wo-o-oh (Shut it down) o wo-o-o-oh
