

Creation of Mass Destruction

Pathology

Lord of the putrid that praise this infested world
Ageless, Awaken to the Suffering
Burn... the Angels of the enemies
for they are beheaded to walk upon this wasteland
killing souls of unblessed Impurity
Omniscient being, they pray to their god
burning this domain nothing left to see
Lord of Deception the savior of sin
Despised by the prayer of suicide
Bodies decay by order of Mass Destruction
To feast upon rotting skin, human flesh, Rotting
this world is their hell impale all the humans
plentiful is the stench of rotting meat
Dying Faithfully, eyes have become blind
for they are so feeble
For my enemies I have delivered
A Prayer for the sufferance
disfigured humans, decrepit earth
putrid formations of the purest salvation
extinct by self indulgence
Awaken to the Suffering
