

# I Was Tired of Being Alone

Patrice Rushen

Lookin' at me, now who do you see  
Somebody with sparkling eyes  
Not so long ago my tears would flow  
You gave me a lovely surprise

I was tired of being alone  
You lifted me my love  
So glad I got 'cha  
I was tired of being alone  
You lifted me my love  
I'm mad about 'cha

Lookin' at you I see how I knew  
Somebody had something to say  
Turned me around, and your sweet sound  
Will keep me smilin' for days

I was tired of being alone  
You lifted me my love  
So glad I got 'cha  
I was tired of being alone  
You lifted me my love

I'm mad about 'cha

Once I sang a song of pain  
'Bout the clouds and the pourin' rain  
Now I sing a song of love  
'Bout the happiness you bring

Glad I got 'cha  
So glad I got 'cha  
You lifted me up and I'm mad about 'cha  
I got 'cha my love  
I got 'cha my love  
Glad I got 'cha  
So glad I got 'cha  
You lifted me up and I'm mad about 'cha  
I got 'cha my love  
I got 'cha my love

I was tired of being alone  
You lifted me my love  
So glad I got 'cha  
I was tired of being alone  
You lifted me my love  
I'm mad about 'cha
