

Scared

Patrice

Them Have Them House
And Them Have Them Car
Their Lives Are Safe
And Secure
Even Have A Penny
For The Poor
But Against Themselves
Them Ah Fight A War
They Put A Number
On Every Arm
Of Every Baby That's
Just Been Born
And When We Have To Go
They Put That Same
Number On Your Toe

Because Them Scared
You Know Them Scared
I Said Them Scared
You Know Them Scared
I Said Them Scared
You Know Them Scared
This Is So Weird

And Again, Again, Yeah, Again
And Again, Again, Again, Yeah Again
And Again, Again, Again, Yeah Again
And Again, Again, Again

Them Have Them Rules
And Them Have Them Laws
For Every Itch
They've Got
An Extra Cloth
How Can Airplanes
Crush A Dream
Things Aren't Quite
What They Seem To Be
But Who's There
To Take The Blame, Yeah
When This World
Goes Up In Flames
He Who Is God Fearing
Will Remain
Well, I Say Rain, Rain
Let's Pray For Rain

We're Scared Of
What We Don't Know
Scared Of Every Breeze
And Change That Blows
We Have Our Ways And
We Have Our Roads
Feel Safe As Long As
Our Hearts Are Closed
But We've Gotta Move On
Move On

Move On Off
Where Your Fear
You Fear
You Put Your Love
Love

Boom

[Bridge]
