I was to time and time again
But I refused to understand
It took much more to be a man
Then I ever felled, ever - wannted to be
Everywhere I missin time
And it dopping nowhere need to signs
Where got to be
My stars in line
I'm comming to get mine

One man down
Two man down
Three man
Four man
Five man down
Six man down
Seven man down
Eight man
Nine man
TEN MAN DOWN

Sing!

We are the Champions sound

It's less to lose, that's to gane
Member pain
With no money in your name
It is hard to make a change
To grawig on his History
But mistery it's a mystery
Have to come from mist
But it's just not me
Must be believe

One man down
Two man down
Three man
Four man
Five man down
Six man down
Seven man down
Eight man
Nine man
TEN MAN DOWN

Sing!

We are the Champions - sound

Make a Dim
Make a Dim
Cheese baba
To the config
We got em
(...)
Sing!
