## I Wish You Love

**Patricia Kaas** 

I wish you bluebirds in the spring To give your heart a song to sing And then a kiss, but more than this I wish you love And in July a lemonade To cool you in some leafy glade I wish you health But more than wealth I wish you love My breaking heart and I agree That you and I could never be So with my best My very best I set you free I wish you shelter from the storm A cozy fire to keep you warm But most of all when snowflakes fall I wish you love But most of all when snowflakes fall I wish you love
