

Tristan

Patrick Wolf

I am the tragedy.
And the heroine.
I am lost And I am rescuing.

The storm is come.
And I am following.

My name is Tristan.
And I am alive.

Forever young.
I come from God knows where.
'Cos now I'm here.
Without a hope or care.

I am trouble.
And I am troubled too.

My name is Tristan.
And I am alive.

Sorrow by name.
And sorrow by nature.
Working for joy.
On overtime.

Stuck on a line.
Of misadventure.
I fear no crime.

I am the victim.
And the murderer.
You speak of love.
But I've never heard of her.

I am fucked.
And I am fucking too.

My name is Tristan.
And I am alive.

Sorrow by name
And sorrow by nature.
Working for joy.
On overtime.

Stuck on a line.
Of misadventure.
I fear no crime.

My name is Tristan, and I'm alive. [x2]
