

# Let's Make Love

Patrizio Buanne

Baby I've been drifting away  
Dreaming all day  
Of holding you, touching you  
The only thing I want to do is be with you, as close to you as  
I can be.  
Let's make love all night long  
Until all our strength is gone,  
Hold on tight just let go I want  
to feel you in my soul. Until the  
sun comes up lets make love.  
Do you know what you're doing to me?  
Everything inside of me its one of you and  
meeting you im so in love with you look  
in my eyes lets get lost tonight in each other  
Let's make love all night long  
Until all our strength is gone,  
Hold on tight just let go I want  
to feel you in my soul. Until the  
sun comes up ooooo until the sun  
comes up lets make love  
Hold on tight just let go I want to feel  
you I want to feel you in my soul until  
the sun comes up lets make love  
Oooooohhhh  
mmmm
