

## All Behind Us Now

Patti Austin

Hey, I'm so sorry  
That it didn't work the way  
That we'd always planned  
Hey, I'm so sorry  
That you went away  
And somehow didn't understand

We pretended for so many years, but now  
Its time wash away my tears

CauseAnd it's all behind us now  
Cause we've learned to live somehow without  
Each other  
And it's easy to see, it ain't never  
Gonna be the same again  
And it's all behind us now

Cause we found a way to live without  
Each other  
And in time we'll have to see  
If it's ever gonna be that way again  
Ohh.....

Hey, I'm so sorry  
That I couldn't find the words  
That might have made you stay  
And hey, it's so funny  
How we both can say the same thing in a  
Different way

We pretended for so many years,  
But now it's over baby  
And so are my tears

I was holdin' out for far too long  
But now I finally found where I belong  
Repeat chorus to fade..
