

Broken Dreams

Patti Austin

Broken Hearts
Broken Dreams

Torn about
From the seems
Oh wanna wanna do you see
Lovers
Together again

Lonely Hearts
All alone
Nothing let but sad sad songs
Oh wanna wanna do you see
Lovers
Together again

It all stands so happy
Worked go wrong
To and you send from about
We mead to take
Oh seconds looking and the things
We've call love
It's so crying change
Always the same
Broken Dreams

Broken Hearts
Broken Dreams
Torn about
From the seems
Oh wanna wanna do you see lovers, lovers
Together again

Lonely Hearts
All alone, all alone
Nothing let but sad sad songs
Oh wanna wanna do you see lovers
Together again

We got you find away

Let's go this place in fly
Don't you know, we got
Let's take a stand
Put your hand in my hand
We can make it
We've got end all this hate you're in strike
It's so crying change
Always the same
Broken Dreams

Broken Hearts
Broken Dreams, Broken Dreams
Torn about
From the seems
Don't you know
Oh wanna wanna do you see lovers

Together again
Lonely Hearts
All alone, all believe
Nothing let but sad sad songs
Oh wanna wanna do you see lovers
Together again

Broken Hearts
Oh, Broken Dreams
Broken Dreams
Torn about
From the seems
You know there wanna wanna do you see lovers, lovers
Together again
Lonely Hearts
All alone
Nothing let but sad sad songs
Oh wanna wanna do you see lovers

Broken Hearts,
Oh!
