

# I Just Want to Know

Patti Austin

Oh my darlin'  
It's so seldom  
We have moments like this to share  
So I'd like to  
take some time out  
Just to show you how much I care  
There are times  
I get the feeling  
you don't really know  
That the only thing I want is you  
and you alone  
I need you so

And I just wanna know that you care  
about me  
I just wanna know  
I just wanna know that you're there  
to love me  
Please don't let me go

Oh my darling  
There are no words  
That can say what I feel inside  
So I'll do my  
best to show you  
all the love that I've tried to hide  
I've been hurt  
so many times  
that I don't really know  
If it's right to hide your feelings  
or to let them show  
I need you so

And I just wanna know that you care  
about me  
I just wanna know  
I just wanna know that you're there  
to love me  
Please don't let me go

There are a lot of girls  
who need a lot of things  
I don't want principals  
because of diamond rings  
No I don't need those things  
Said I don't need those things

I just wanna know that you care  
about me  
I just wanna know  
I just wanna know that you're there  
to love me  
Please don't let me go

I don't want principals  
because of diamond rings  
Said I don't need those things

No I don't need those things

I just wanna know that you care  
about me

I just wanna know

Oh baby, I just wanna know that you're there  
to love me

Please don't let me go

I just wanna know

I just wanna know that you're there  
to love me

I just wanna know

I just wanna know

that you care about me

Please don't let me go...
