

# We're In Love

Patti Austin

It feel so good, my dear  
Just lying here with both your arms around me  
And it's good to know  
That we're in love

Oh, the fire's burnin now  
And I can feel the warmth so deep inside me  
And it's good to know  
That we're in love

There's a kind of magic in the air  
That I can feel when we're together (There's a kind of magic in the  
Air), ooh ooh  
There's a kind of touch that lets me know  
That you can feel the magic too

Every time I'm with you, boy  
You know our love gets sweeter, yes, and better (And it's good to  
Know)  
And it's good to know  
That we're in love, in love, in love, we're in love  
And it's good to know  
Yes, it's good to know that we're in love

There's a kind of magic in the air  
That I can feel when we're together (There's a kind of magic in the  
Air), ooh ooh  
There's a kind of touch that lets me know  
That you can feel the magic too

Every time I'm with you, boy  
You know our love gets sweeter, yes, and better (And it's good to  
Know)  
And it's good to know  
That we're in love, in love, ooh, in love  
And it's good to know  
Yes, it's good to know that we're in love, hoo, we're in love, ho,  
Honey, in love

And it's good to know  
Yes, it's good to know that we're in la-la-la-la-la love  
La-la-la-la-la love, la-la-la-la-la love  
And it's good to know  
Yes, it's good to know we're in love  
Ho, we're in love, hoo, we're in love, we're in love, we're in love

And it's good to know  
Yes, it's good to know  
That we're in love, we're in love, ooh, honey, in love, oh, darlin' in  
Love, we're in love  
And it's good to know  
Yes, it's good to know that we're in love
