

## Changing Partners

Patti Page

We were waltzing together to a dreamy melody  
When they called out "Change partners"  
And you waltzed away from me  
Now my arms feel so empty as I gaze around the floor  
And I'll keep on changing partners  
Till I hold you once more

Though we danced for one moment and too soon we had to part  
In that wonderful moment something happened to my heart  
So I'll keep changing partners till you're in my arms and then  
Oh, my darling I will never change partners again

Though we danced for one moment and too soon we had to part  
In that wonderful moment something happened to my heart  
So I'll keep changing partners till you're in my arms and then  
Oh, my darling I will never change partners again
