

Confess

Patti Page

[Verse 1]

Confess (confess confess)

Why don't you confess? (Say yes, say yes)

I wish you'd reveal to me (Reveal to me)

The way that you feel

(Why don't you tell me the way that you feel?)

[Verse 2]

Confess (confess confess)

It isn't a crime (Oh no, no crime)

To open your heart to me (Confide in me)

And say that you're mine

(Why don't ya tell me you're gonna be mine?)

[Chorus]

How long can I go waiting?

For a tender word from you

The sweetest rose starts fading

When the sunshine won't come through

[Verse 3]

Confess (confess, confess)

Please don't make me guess (Don't make me guess)

If you really care for me (If you should care)

Then darling confess

[Chorus]

How long can I go waiting?

For a tender word from you

The sweetest rose starts fading

When the sunshine won't come through

[Verse 3]

Confess (confess confess)

Please don't make me guess (Don't make me guess)

If you really care for me (If you should care)

Then darling confess
