

I Let A Song Go Out Of My Heart

Patti Page

I let a song go out of my heart
It was the sweetest melody
I know I lost heaven
'Cause you were the song

Since you and I have drifted apart
Life doesn't mean a thing to me
Please come back, sweet music
I know I was wrong

Am I too late to make amends?
You know that we were meant to be
More than just friends
Just friends

I let a song go out of my heart
Believe me, darling when I say
I won't know sweet music
Until you return someday

Am I too late to make amends?
You know that we were meant to be
More than just friends
Just friends

I let a song go out of my heart
Believe me, darling when I say
I won't know sweet music
Until you return someday
Until you return someday
