I Let A Song Go Out Of My Heart

Patti Page

I let a song go out of my heart
It was the sweetest melody
I know I lost heaven
'Cause you were the song

Since you and I have drifted apart Life doesn't mean a thing to me Please come back, sweet music I know I was wrong

Am I too late to make amends? You know that we were meant to be More than just friends Just friends

I let a song go out of my heart Believe me, darling when I say I won't know sweet music Until you return someday

Am I too late to make amends? You know that we were meant to be More than just friends Just friends

I let a song go out of my heart Believe me, darling when I say I won't know sweet music Until you return someday Until you return someday
