

Learnin' My Latin

Patti Page

Omnes Gallia tres partes divisa est
I'm learnin' my Latin, and I'm passin' the test.
That means that all of Gaul's divided in parts of three,
I'm learnin my Latin, get a load of me.
Amavi, I have loved.
Amavisti, Thou hast loved.
Amavi, He has loved.
Amavili, We have loved.
Amaveri, Thou mayest.
Amavisti, Thou mightest.
Is my conjugation up to par?
The verbs are really quite irregular.
Vini, vidi, vici as they used to say in Gaul,
I'm learnin' my Latin, and I'm havin' a ball.

Amavi, I have loved.
Amavisti, Thou hast loved.
Amavi, He has loved.
