

One Sweet Letter

Patti Page

Well, write me one sweet letter, say you're in love with me
Tell me that you want me, with me you'll always be
I love you baby, that you can plainly see

Well, write me one sweet letter, seal it with a kiss
Your sweet and tender kisses, are what I really miss
ah, come back baby, don't treat your love like this

Ah well, write me one sweet letter
Write me one sweet letter
Write me one sweet letter
Write me one sweet letter
Baby, I'm in love with you

Well, write me one sweet letter, say you're in love with me
Tell me that you want me, with me you'll always be
I love you baby, that you can plainly see

Well, write me one sweet letter, seal it with a kiss
Your sweet and tender kisses, are what I really miss
Ah, come back baby, don't treat your love like this

Ah well, write me one sweet letter
Write me one sweet letter
Write me one sweet letter
Write me one sweet letter
Baby, I'm in love with you
