

Release Me

Patti Page

Please release me, let me go
I don't love you anymore
To live together is a sin
Release me and let me love again

I have found a new love dear
And I'll always want him near
His lips are warm while yours are cold
Release me my darling let me go

Oh, please release me, let me go
I don't love you anymore
To live together is a sin
Release me and let me love again
