

Who's Gonna Shoe My Pretty Little Feet

Patti Page

Who's gonna shoe my pretty little feet
Who's gonna glove my little hand
And who's gonna kiss my sweet ruby lips
Who?
My daddy's gonna shoe my pretty little feet
Mamma 's gonna blove my little hand
And you can kiss my sweet ruby lips
Who?
When i'm old and gray who'll be by my side
Who will share my joys and my tears
And who will hold my hand and say I understand
Who?
My daddy is just a poor railroad man
Who?
