

Tie A Ribbon Round My Soul

Patty Pravo

Gotta funny nature
Nothing brings me down
Where things are gettin' rough.
I'll playin' yhe clown
But if my reputation
Helps me to make friends
When it comes to love, there ain't no way
'Cause a clown ain't supposed to say
"I love you"
- So here I am, just funny again.

Gotta funny nature
But I can't blame you folks
- Sometimes event I can't see
The truth behing my jokes
Forget about my problems
' 'Cause you may have your own
There's party goin' on tonight -
And ev'rythings alrighth -
- I'm easy -
- Its just that again I'm alone.

Tie a ribbon round my soul
Make a knot and just let it be.
Tie a ribbon round my soul
Make a knot and just let it be.
Tie a ribbon round my soul
Make a knot knot knot knot knot knot
Set me free!

Gotta funny nature
I'm the laugher in the rain
The ever-similin' clown
Was lovin'all in vain
So if you hears his, baby
Would you please keep in mind
That the thing I'm singin' in this song
If it's right or if it's wrong, says
- I'm easy -
- Its just that again I'm alone.

Tie a ribbon round my soul
Make a knot and just let it be.
Tie a ribbon round my soul
Make a knot and just let it be.
Tie a ribbon round my soul
Make a knot knot knot knot knot knot
Set me free!
