

Wild World

Patty Pravo

Now that I've lost everything to you
You say you want to start something new
And it's breaking my heart to leave you,
And I'm grieving.
But if you want to leave take good care.
Hope you have a lot of nice things to wear
But then a lot of nice things turn bad out there, baby

Oh, baby, baby it's a wild world
It's hard to get by just upon a smile,
Oh, baby, baby it's a wild world
Always remember, just like a child, yeah.

You know I've seen a lot of what the world can do
And it's breaking my heart in two
Because I never want to see you sad, love
Don't be a sad , love
But if you want to leave take good care
Hope you make a lot of nice friends out there
But just remember there's a lot of bad everywhere.

Oh, baby, baby it's a wild world
It's hard to get by just upon a smile,
Oh, baby, baby it's a wild world
Always remember, just like a child, yeah
