

Don't Gamble With Love

Paul Anka

Don't gamble with love
It's only for fools
So play by the rules
Don't gamble with love

Oh, don't gamble with love
You'll lose it for sure
There'll be no cure
When you gamble with love

You can gamble your house, gamble your car
Gamble your hopes, just as far
As the stars up above
Why don't you gamble with love

Oh, don't gamble with love
It's only for fools
So play by the rules
Don't gamble with love

Oh, don't gamble with love
It's only for fools
So play by the rules
Don't gamble with love

Don't gamble with love
Don't gamble with love
Don't gamble with love
