

If You Love Me (Really Love Me)

Paul Anka

If the sun should tumble from the sky
If the sea should suddenly run dry
If you love me, really love me
Let it happen i don't care

If it seems that everything is lost
I will smile and never count the cost
If you love me, really love me
Let it happen i don't care

Shall i catch you surely star?
Shall i bring it where you are?
If you want me to, i will
You can set me any task

I'll do anything you ask
If you only love me still
But, at last, our life on earth is through
I will share eternity with you

If you love me, really love me
Then, whatever happens, i won't care.
