

# Flowing River

Paul Baloche

Pour Your Holy Spirit upon me  
Let Your presence fill me up  
Make my life a flowing river  
Of Your everlasting love

And like a living stream  
Flowing from Your mighty ocean  
Purify in me  
My desire and my devotion  
Make my life a flowing river  
Of Your everlasting love

Like a living stream  
Flowing from Your mighty ocean  
Purify in my my desire and my devotion  
Make my life a flowing river  
Of Your everlasting love

Make my life a flowing river  
Of Your everlasting love
