

I Cling To The Cross

Paul Baloche

I cling to the cross and everything it means
I know it's the only hope there is for saving me
For without Your great mercy
I would be forever lost
With a thankful heart I come
And cling to the cross

Standing at the empty tomb
Promises I have in You arise
I was made alive in You
Everything You said was true
You suffered, died, and rose to bring us life

I cling to the cross and everything it means
I know it's the only hope there is for saving me
For without Your great mercy
I would be forever lost
With a thankful heart I come (Jesus I come)
With a thankful heart I come
With a thankful heart I come and cling to the cross

The world behind me, the cross before me
The world behind me, the cross before me
The world behind me, the cross before me
No turning back, no turning back
