

Look Upon the Lord

Paul Baloche

Look upon the Lord, stand in awe of His beauty
Look upon the Lord seated high, He is holy

Let the glory of our God from heaven come down
Let the house of the Lord be filled with the cloud

You are good and Your mercy will endure
You are good and forever we are Yours
Hallelujah, hallelujah
Hallelujah, hallelujah

Listen for the Lord, hear the voice of His spirit
Call upon His Name, He is near, He is with us

Let the glory of our God from heaven come down
Let the house of the Lord be filled with the cloud

You are good and Your mercy will endure
You are good and forever we are Yours
Hallelujah, hallelujah
Hallelujah, hallelujah
Hallelujah, hallelujah
Hallelujah, hallelujah

Holy, holy
With one voice, heaven and earth are singing
