

Loved by You

Paul Baloche

River flow
From Your throne
From Your heart
Through my soul
Healing flood
God of peace
Speak Your word
And quiet me

I was made to be loved by You
To be loved by You
To be loved by You,
Jesus

I was made to be loved by You
To be loved by You
To be loved by You,
Jesus

Mercy way
Down on me
Hide me now
Beneath Your wings
Hold me close
To your side
I am Yours
You are mine

I was made to be loved by You
To be loved by You
To be loved by You,
Jesus

I was made to be loved by You
To be loved by You
To be loved by You,
Jesus

Open up wide
Go under my eyes
Take all I have
And make it Yours
You
