

Marvelous Things

Paul Baloché

[Verse 1: Paul Baloché]

You have done marvelous things
Bore the whole world's sin
Let Your people sing You're worthy
You hold the stars in place
Stir the ocean's waves
Over all You reign, almighty

[Chorus: Paul Baloché]

Worthy
Only You are worthy
To receive all glory
Only You have died and rose again
Worthy
May You find us worthy
Covered by Your mercy
Lifting up our hearts to You in praise
For You have done marvelous things

[Verse 2: Kari Jobe]

You tell the storm "be still"
And we know it will
For You never fail
You're worthy
You cause our hopes to rise

Raise our hearts to life
We will lift You high, almighty

[Chorus: Paul Baloché & Kari Jobe]

Worthy
Only You are worthy
To receive all glory
Only You have died and rose again
Worthy
May You find us worthy
Covered by Your mercy
Lifting up our hearts to You in praise
Worthy
Only You are worthy
To receive all glory
Only You have died and rose again
Worthy
May You find us worthy
Covered by Your mercy
Lifting up our hearts to You in praise
For You have done marvelous things
Lord, You have done marvelous things
