

Shaken

Paul Baloché

Verse 1:

Only a spotless lamb
For a sinner's soul
You gave me a heart of flesh
For a heart of stone
You brought me down to my knees
When I was full of pride
And took away all the places
I could hide

Pre chorus:

Those You love You will chasten

Chorus:

Everything that can be will be shaken
Everything that can be will be shaken
And only You remain
Only You remain

Verse 2:

Wherever my treasure is
There my heart will be
I'm fixing my eyes on things
In the heavenlies
When everything is said and done
And swept away
I wanna be by Your side
In eternity

Bridge:

No Suffering for the moment
Is pleasant but it brings forth
The peaceful fruit of righteousness
Jesus my righteousness

Outro:

Only You remain
Only You remain
