

You Have Been So Good

Paul Baloche

You have been so good to me
You have been so good to me
I came here broken, you made me whole
You have been so good
You have been so good
You have been so good to me

You have been so good to me
You have been so good to me
I came here morning,
You gave me joy
You have been so good
You have been so good
You have been so good to me

How can I thank you
There is just no way
How can I thank you
No way how could I to pay
For your kindness
For your tenderness
For your custom presence here with me

You have been so good to me
You have been so good to me
I came here broken, you made me whole
You have been so good
You have been so good
You have been so good to me

Lord How can I thank you
There is just no way
How can I thank you
No way how could I to pay
For your kindness
For your tenderness
For your custom presence here with me

You have been so good to me
You have been so good to me
I came here broken, you made me whole
You have been so good
You have been so good
You have been so good to me

You have been so good
You have been so good
You have been so good
