You Have Been So Good

Paul Baloche

You have been so good to me You have been so good to me I came here broken, you made me whole You have been so good You have been so good You have been so good to me

You have been so good to me You have been so good to me I came here morning, You gave me joy You have been so good You have been so good You have been so good to me

How can I thank you There is just no way How can I thank you No way how could I to pay For your kindness For your tenderness For your custom presence here with me

You have been so good to me You have been so good to me I came here broken, you made me whole You have been so good You have been so good You have been so good to me

Lord How can I thank you There is just no way How can I thank you No way how could I to pay For your kindness For your tenderness For your custom presence here with me

You have been so good to me You have been so good to me I came here broken, you made me whole You have been so good You have been so good You have been so good to me

You have been so good You have been so good You have been so good
