

Your Blood Ran Down

Paul Baloche

Your blood ran down
Your blood ran down
Your blood ran down
Your blood ran down
Your blood ran down
Your blood ran down
Your blood ran down
Your blood ran down

From Your head down Your face
From Your hands to Your feet
Your blood ran down for me

From Your head down Your face
From Your hands to Your feet
Your blood ran down
Your blood ran down
Your blood ran down for me
