

# Your Love Came Down

Paul Baloche

Just when I thought  
That I couldn't be reached  
Hope was nowhere to be found  
I cried out for mercy  
And fell to my knees  
That's when Your love came down

Your love came down  
Your love came down  
All because of the cross  
I'm no longer bound  
That's when Your love came down

A King sent from Heaven  
And nailed to a tree  
A Prince wearing thorns for a crown  
You suffered and died  
So that I could be free  
That's when Your love came down  
That's when Your love came down
