

I Meant To Do That

Paul Brandt

A rose in a box, wrapped up in dreams
A card that explains how much your love means
A table for two with soft candlelight
The words "I love you," somewhere in the night

I meant to do that
Does that mean a thing
If you wanted songs
Then I meant to sing
I'd give you the world
If you'd give mine back
What I didn't do
I meant to do that

Late in the night, nothing to say
Maybe a call to talk anyway
A letter or two with some words that rhyme
To promise you love, for now and all time

I meant to do that
Does that mean a thing
If you wanted songs
Then I meant to sing
I'd give you the world
If you'd give mine back
What I didn't do
I meant to do that

Hold onto the love you gave until the end of time
And love you more every day, until you know that

I meant to do that
Does that mean a thing
If you wanted songs
Then I meant to sing
I'd give you the world
If you'd give mine back
What I didn't do
I meant to do that
