

Cool Night

Paul Davis

I sometimes wonder why
All the flowers pass me by
I dream about you and
Now summer's come and gone
And this night it seems long
Come on over tonight
Come on over
It's gonna be a...

Cool night
Just let me hold you by the firelight
If it don't feel right, you can go
Oh Cool night
Brings back memories of a good life
When this love was not so old

I won't talk about the past
How our love's supposed to last forever
And you, don't have to take a stand
Lay out any plans
Come on over tonight
Come on over
It's gonna be a
