

# What You Want

Paul Kelly

I want to give you  
My love and affection  
I've been saving it so long  
I can show you  
The right direction  
Listen to my song

Oh, how long  
Must I wait to show you  
What you want!

I can see that  
You don't like attention  
That's how I noticed you  
Am I making it clear  
My intention  
Am I getting through

Oh, how long  
Must I wait to show you  
What you want!

Oh, don't deny me, boy  
You don't know what it is you need  
You don't show it but I know it's  
What you want!

I'll give you, I promise I'll give you  
Love and understanding  
And tenderness so sweet and true  
Oh, it's what you want!
