

Little Woman Love

Paul McCartney

I got a little woman I can really love,
My woman fit me like a little glove.
You know I'll always love
my little woman love.

I take her home most ev'ry night,
My woman love to hold me tight.
You know I feel alright
my little woman mine.

Oh yeah, oh yeah,
Oh, oh, oh, oh, oh, oh.
Oh yeah, oh yeah,
Oh, oh, oh, oh, oh, oh.

I take her home most ev'ry night,
My woman love to hold me tight.
You know I feel alright,
my little woman mine.
